11. (SBU) Reftel points were passed on December 6 to Deputy Director for Terrorism and UN Sanctions Aris Munandar at Indonesia's Foreign Ministry. Munandar said he would consult with colleagues and give us any comments. Munandar also noted that his Directorate for International Security & Disarmament Affairs is currently woefully understaffed, with only six of the normal 14 staff working, others having rotated abroad. The timing of replacements is still uncertain, Munandar said.
